

Dyslexia Awareness Month Panel

Join staff, students, and families from Madison's Children's Dyslexia Center to learn more about dyslexia and how we can support our kids, students, friends, and neighbors who struggle to read printed words.

A light pizza dinner will be available at 5:30 with an engaging panel discussion starting at 6pm. Young people ages 7 and up are especially welcome!

Registration for this event is appreciated but not required – please call 608-266-6385 or visit madpl.org/events to register.
